—George Kunz was arrested and locked up Tuesday for disorderly conduct.

—Frank Brownish was fined \$5 and costs for drunkenness by Squire Guyton Tuesday.

—The Court of Pleas will be in session Sept. 10th and Circuit Court will open here on the 10th.

—The third game of the present Marietta-Parkersburg series was played at the latter city Tuesday and was won by Parkersburg by a score of 6 to 4. The result of the game was purely a fluke or something worse. Parkersburg made their entire six runs in one inning, the eighth. They made six errors against Marietta's one and realized but seven hits off of Parcell, while Marietta made eight off of Taylor, the Maysville twirler. Marietta had two two-base hits to Parkersburg's none. Hunt had one passed ball to Donahue's none. Purcell gave two men bases on balls and Taylor five. Marietta had four stolen bases to Parkersburg's none. Purcell struck out eight men to Taylor's five. Marietta had one sacrifice hit to Parkersburg's none. And yet Parkersburg won! Rats! What's up?

—W. E. Sayre, the confectioner on the "Arch," rejoices in the possession of a new roasting machine, which is a revelation in concerns of that kind. The roaster is very complete, and is propelled by a genuine steam engine with equipments as complete as a "grown up" engine. The whole thing is highly ornamental, and will no doubt be the cause of more frequent opening of the proprietor's cash drawer.

—Mr. Harvey, of Chicago, has rented the fine Buell residence on Fifth street, and will with his family occupy the same during the winter. Mrs. Buell and Miss Buell will go to Chicago, where the latter will pursue a course in the University.

—Schnauffer Bros. & Co. began the erection of a new rig Tuesday on the Charles Thrasher farm on Long Run, in Newport Township. The well is the first in the tract, and is a wildcat, being a mile and a half from production.

—The thirteen-ton steam roller which is to be used here in rolling the paving on Third street, was shipped Tuesday from Portsmouth, and will arrive here in a day or two.

—Mr. T. H. Hammond, a business man of prominence, from up the Ohio, was the guest of W. T. Schnauffer Monday. The gentleman is a life-long Democrat, but he wisely says that he cannot vote for Bryan and the free silver heresy, but will give all the support possible to McKinley.

—The members of Buell W. R. C. will give a coffee social at their hall on Thursday evening, Sept. 10th.

—College opens next Tuesday with good prospects for a prosperous year.

—At the opening of the new Catholic parochial school Monday there were 137 in attendance.

—At the County Fair last week on stock and produce the Children's Home was awarded premiums amounting to \$41.00. This so far, is the best record of awards since Mr. Jordan has been superintendent.

—Barnesville will be here for games the first three days of next week. Barnesville is making quite a reputation for robbing teams on their home grounds and will probably drop a few games when they get away from their fortifications.

—A straw vote taken on the Z. & O. R. train Monday showed 63 for McKinley, 35 for Bryan and 1 for Palmer.

—Messrs. Jay Belford and B. F. Menden have rented the B. B. Stone property, on Third street above Wooster.

—The Jap Oil Co.'s well No. 7 came in Thursday, and shows for a producer of 40 barrels. The depth is 500 feet, and there are 31 feet of producing sand. Immediately after shooting, the well filled with oil. Pumping will begin at once.

—Alla Winsor's Fair pony ran away Tuesday and was stopped on the Front street sidewalk by the heroic work of Lawrence Dana.

—Rev. Mr. Henry Jend left for Newport, Ky., Monday evening to attend the German M. E. General Conference, which begins Wednesday.

—Miss Anna Theis is visiting her cousin Miss Blanche Shafer at Wheeling, W. Va.

—The bicycle race meet at Zanesville on Labor Day was a great success. The Loddell cycling club got second prize for the number of wheelmen in line in the grand parade. Harry Ogle made a splendid showing, considering the very fast company he was in. He took third in the mile open, the fastest race of the day, and second in the mile handicap. Briant, the supposed crack rider of Parkersburg, was not in it at any stage, his only place being third in the half-mile open and in that race he was hard pushed by Wm. J. Bay, of this city, who finished fourth. In the mile handicap Briant had 30 yards more than Ogle but was passed and distanced easily by the Marietta lad.

A LOCAL ENGINEER

Stops Tinkering With a Job and Finishes in a Week What He Had Been Experimenting on For Ten Years.

Before the Brotherhood of Locomotive Engineers became a powerful organization, before stationary engineers in some states required to pass examinations as to fitness for important positions as an engineer and fireman and man of all work his engine on account of his fare and stop his engine on account of tinkering. He tinkered at it for a day or two but the trouble was as bad as ever when he started her up again with the same result. Finally his employer was forced to call in a more competent authority and a sort of Jack-of-all-trades was engaged. He poked around for half an hour or so, tightened a nut or two, eased some part that showed too much to the astonishment of the onlookers, and the tinker was asked to make out his bill. It read as follows:
Fixing engine.....\$ 50
Knowing how.....10 00
Total.....\$10 50

This anecdote has nothing earthly to do with Mr. A. L. Carter, the engineer at Zola's brickyard. We merely introduce him in this manner, so that his evidence will prove that for fifty cents any citizen of Marietta who has been tinkering with his kidneys can get them properly fixed. Knowing how will surely cost the time and trouble involved in reading his statement. He says:

"Army life may have had something to do with the attacks of kidney complaint I am subject to. I enlisted in the Ohio Reg. 36, Co. H, and it is possible that the cause may be traced to the hardships endured. Whatever the cause there is one thing sure I have suffered any amount of misery at times, my back aching for days at a time and along with it there was a distressing urinary weakness. The secretions scalded and inconvenienced me at night. I have taken lots of medicines for it in my time, some may have helped me when taking them and some may have helped for a short time after but I never got anything to do the work of Doan's Kidney Pills. I got a box at W. H. Styer's the druggist on Front street. They are a \$1 article. The good promises to be lasting. I advise their use to any suffering from kidney disease."

Doan's Kidney Pills are for sale by all dealers. Price 50 cents per box, or sent by mail on receipt of price. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

—Mrs. Candace Willis is spending a few weeks with her daughter, Mrs. John Reichardt of Marietta.

—Mrs. Geo. Salzman and son Harry and Mr. James Reichardt of this city spent a couple of days at the home of Mr. Tyranous Power, of Watertown.

—The B. of R. T. ball at Schneider's Hall Monday evening was largely attended and a brilliant success from every point of view. The music was exceptionally good. The results of the various contests for the various prizes was announced at 10 o'clock. George Griffin got the gold-headed cane, Isaac Weaver the oil set and Miss May Barnett the gold watch. The prize of a gold ring to the person selling the most tickets was awarded to John Drumm.

—A Parkersburg special says: Typhoid malaria of a virulent type is raging in epidemic form at Davisville, on the Baltimore and Ohio Railroad, eight miles east of here. Mrs. J. P. McCord died today and many other deaths are imminent. It is reported that every house on Kanawha street, the principal thoroughfare, has one or more cases. The plague is said to have been caused by decaying vegetation left on the river banks by last month's high water.

—Mr. J. H. Newlin, of Beverly, was in the city Tuesday on business.

—Capt. A. S. Sayre returned Monday night from St. Paul.

—Mr. and Mrs. William Calder returned home to Parkersburg Monday after a pleasant visit in this city with Mrs. Calder's mother, Mrs. Van Bergen.

Up Against It.

The second series of games between Marietta and Parkersburg, agreed to by the local management to keep the Parkersburg team from disbanding, was begun here Monday, Marietta with a crippled team—Hutchins still sick, Griffin with his finger tied up in a rag and Taylor with a sore great toe. Both games were fast and exciting, but the Marietta nine was plainly up against it. Parkersburg won by scores of 5 to 4 and 2 to 1. Jack Taylor pitched both games for Marietta and put up a better game in the second than in the first. Fisher, of Saginaw, was in the box for Parkersburg in the first game, and Mahaffey, of Nelsonville, in the second. The Mariettas were not up to their usual batting form or could have won out easily at any time. However, the attendance would have been much less had Parkersburg not been victorious.

—The Discovery Saved His Life.

Mr. G. Callouette, Druggist, Beaversville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it. Get a free trial at W. H. Styer's Drug Store."

Chester Hill Fair Sept. 8th, 9th and 10th.

On above dates the T. & O. C. E. R. will sell tickets from all stations to Sharpburg and return at half fare.
